HIGH SCHOOL GRADUATION NIGHT 1962

ST. ALBERT HIGH SCHOOL GRADUATION

Parents, students and friends filled the large St. Albert High School Auditorium on Friday evening to do honor to the 1962 graduating class. Eighteen of the nineteen graduates were able to be present at the ceremonies, to accept the honor which was their due for successfully completing twelve years in school. Mr. Wm. Soprovich, their High School Principal, was the chairman for the night, and introduced the graduates and the platform guests who included: Mr. Earl McDonald, Superintendent of the Edmonton Suburban Inspectorate, Rev. Father Georges Chevrier, Parish Priest of St. Albert, Mr. Angus J. MacDonald, retiring chairman of the Public School Board, Mr. Ron Harvey, chairman of the Separate School Board, Hon. A. Russell Patrick, Minister of Economic Affairs, and special speaker of the evening, Mr. W. J. Flynn, representing the Sturgeon School Division, Dr. W. Skrobot, representing the Town of St. Albert, Dr. W.D. Cuts, president of the Lions Club of St. Albert, Mr. Neil Ross, co-donor of scholarships to be presented, Mr. Vincent Maloney, Supervisor of St. Albert Public Schools, Larry Petherbridge, past-president of the High School Student's Union and Mr. Steve Kaleta, Vice-principal of the High School.

Graduates being honored included: Charlotte Best, Joan Bokenfohr, Judith Burton, Richard Coleman, Stanley Fowler, Gary Gairdner, Henry Hodgson, Dixie Jarvis, Michael Kelly, Joan Klak, Ian Lamoureux, Marianne Maloney, Colleen MacMillan, Michael McIntyre, Patricia Murray, Sheila Ross, Dwight Swane, Douglas Victor, and Patrick Whitley. A notable feature of the group is that no less than ten of them are enrolled in University, seeking a variety of careers, whil others plan to take technicians courses. Student speakers played a traditional role in the proceedings. Tribute to the School Board was made by Judith Burton, while Ian Lamoureux eloquently thanked the parents for their part. Stanley Fowler praised the teachers for their patience and skill. Class historian was Sheila Ross, her oration delivered with firmness and clarity, deapite the fact that she was seated in a wheel chair. Final oration, Valedictory, was given by Marianne Maloney, petite, lovely and starry eyed as she bade farewell to familiar scenes and led her class into the vistas of the future.

Two numbers by the High School Choristers lent variety to the program. Very short addresses were given by Mr. McDonald, Mr. Maloney, and Mr. Angus MacDonald. Mr. Patrick, himself a former high school principal, expressed his appreciation of a fall graduation where he could compliment the graduates on an accomplished fact, not merely the hopes of a graduation in June. He was convinced of the great value of higher education, but equally convinced that alone it did not make a person "educated". The measure of true citizenship is the ability to give, rather than merely to take.

A large number of scholarships and awards were made to the graduates and other students in the various grades, who had distinguished themselves last spring Dr. W. D. Cuts, Lions President, presented Grade 12 Lions awards to Marianne Maloney, for top grade 12 marks in St. Albert, Stanley Fowler for second, and Patricia Murray and Sheila Ross, who tied for third place. In Grade 9, Mavis Chevigny received the second place award. The first and third places were already given out at the Sir Alexander Mackenzie School a week ago.

HOME BAKING SALE

A sale of home baking will be held at the Safeway Store in Grandin Shoppers Park, on Saturday, October 13th, from 11 a.m. to 5 p.m., by St. Matthew's Anglican Ladies Guild.

IMPORTANT NOTICE TO ALL ANGLICANS IN ST. ALBERT & DISTRICT

Up to now, St. Matthew's has been holding two services a month, conducted by the rector of the Good Sheppard. The Good Sheppard is a large parish, and the rector feels that it requires all of his attention, and that it is not possible for him to continue dividing his services between his own parish and St. Albert.

Our Bishop has indicated that he is prepared to recognise St. Albert as a parish and install a rector, if we can show him by signed pledge cards, that we are willing and able to support a rector of our own. To do this, we need $6,000. a year, which means 60 families giving $2. a week, or 120 families giving $1. a week.

In essence, it is as simple as this. We do not have any choice in this matter, either we find the money, or we do not have an Anglican Church in St. Albert in the forseeable future.

An every member visitation is planned, starting on Sunday next, October 14th, to obtain signed pledge cards from every Anglican family in St. Albert. Please remember these visitors are not experienced Church Visitors, just kind hearted people who have offered to help. Please sign the pledge cards they carry, indicating whether or not you are willing to help support a rector of your own in St. Albert. Any further information may be obtained from the following persons: E. Jackson, 599-6525; F. Turek, 599-6089; E. Shanley, 599-6045.

HIGH SCHOOL GRADUATION -2-

Each year a Group Scholarship sponsored by the Boards of the St. Albert Public and St. Albert Separate School Districts together with Mr. Neil Ross, is presented to each of the top two students in the Math-Science and in the Language-Social Group of subjects. This year, Mr. Neil Ross himself gave these awards. Visibly moved, he announced the first place English-Social was won by his own invalid daughter Sheila, who has attended high school in a wheel chair, and who has been an inspiration to all other students during that time. Maloney took the second place in this group, while the Math-Science awards went to Stanley Fowler and Gary Gairdner Rev. Father Georges Chevrier gave out Religious Education Scholarships in Grade 12 to Marianne Maloney and Colleen MacMillan and Sheila Ross. Grade 11 winners were Rita Leonard and Ann Gallagher. Josephine Wilson and Veronica Finnegan won the grade 10 award.

Gifts to each graduate from the students union were given by Larry Petherbridge, and scrolls by Mr. Kalita.

A new type of award was made this year when academic scrolls were presented to all students in high school who made 80% averages in at least one of the four reporting periods, while academic letters went to those achieving 80% in the finals and another 80% somewhere along the way. The coveted letters in grade 11 went to Ann Gallagher and Simonne Rouault, while in grade 10, they were won by Carole Senuk and Josephine Wilson. Scrolls went to Maurice Dussault, Ann Gallagher, Ben Schroeder, Lela Bird, Marilyn Lockhart and Simonne Rouault from grade 11, and Carole Senuk and Josephine Wilson from grade 10.

Pianist for the Processional and Recessional, together with accompaniment for the choral numbers, was high school student Carol Oliphant. Mrs. A. B. Blair conducted the chorus, and was the staff member co-ordinating arrangements for the graduation.

Festivities of the day commenced with a dinner at the Kingsway Motor Hotel attended by graduates, their parents and special guests. After the formal ceremonies, the High School Students Union were hosts at a delightful dance, with the auditorium decorated in an oriental theme. Music was by the Comboettes.

CHANGE OF CHURCH HOURS

Commencing Sunday, October 8th, church services of the St. Albert United Church will commence at 9:45 a.m. and continue at that hour throughout the fall and winter months. A "Teen Church" service at 11:00 a.m. will also commence on that day for students in the Sunday Church School attending Grades 7 to 9 at school. These students will assemble in the Church Sanctuary for a short service, following which they will disperse to their various classes. Greatly increased enrolment in the Church School has made this division necessary. Pupils from age 4 to Grade 6 will attend during the regular period of morning worship, commencing at 9:45 a.m.

Thanksgiving Sunday will be marked on October 8th also, and contributions of fruits and vegetables, jams, jellies, pickles and preserves will be used to decorate the chancel. They may be left at the church vestibule on Saturday morning, October 7th. Following the service, these will be taken to Bissell Institute.

Square Dance

square dancing fun this winter?
You say you aren't sure?
In that case, you owe it to yourself to find out just what it is like to square dance. And while you are trying to form an opinion, bring your friends along and see what they have to say about it!
Of course we mean, bring them all down to the Community Hall on October 16th, when the first square dance, commencing at 8 p.m., will be held here in St. Albert.
Now, while we are on the subject, let us have a longer look at it. Square dancing is a universal past time. It means that, no matter where you go, you will always find friends, whether you are visiting a locality, or whether the company you work for has transferred you to a new "branch". Square dancing is wholesome, not just from the "keep fit" point of view, but rather in that it embraces the "whole" family. Certainly the teens and the younger children will enjoy it just as much as the grown ups.
To this effect, we hope to establish a group to teach the younger set to square dance. With regard to teaching, only your response will determine our future programming.

SIXTY YEARS OF OBLATE LIFE

This year, Father L. Larose, O.M.I., an important staff member at Star of the North Retreat House in St. Albert, celebrates the golden anniversary of his arrival in the west, 55 years of priesthood and 60 years as member of the Missionary Oblates of Mary Immaculate. At 82, he still preaches, administers the sacraments, counsels the young and not-so-young, from a fund of experience that reaches back to the days when St. Albert was the hub around which the Church in the West revolved. Like all people his age, he loves to spin tales about the old days, recalling experiences as a newly ordained priest in Ceylon, or a parish priest in the west. His work includes the building of two churches: one designed as a cathedral, later to become a parish church, the other designed as
